## HISTORY

**SECURITYPLUS FEDERAL CREDIT UNION HAS BEEN PROVIDING EXCEPTIONAL MEMBER SERVICE FOR OVER 85 YEARS. WE ARE PROUD OF OUR LOCAL HERITAGE AND HAVE A GENUINE DESIRE TO MAKE A POSITIVE IMPACT ON OUR MEMBERS AND OUR COMMUNITY.**

Securityplus Federal Credit Union was born out of the dire need for financial safety during the time of the Great Depression. It was in 1938 when a group of forward-thinking neighbors decided to pool their resources together. Their shared savings provided access to affordable credit at a time when people had nowhere else to turn. This act of collective trust and cooperation allowed our initial members to survive tough times, buy homes, educate their children, and establish small businesses that fueled economic growth. It was, quite literally, the embodiment of turning \$1 into \$1 million.

To this day, Securityplus remains driven by service, not profit. Our unique member-owned structure allows us to focus solely on each member's financial success. Our journey has been one of overcoming challenges together. By pooling our resources, supporting one another, and fostering resilience, we empower our members to not only survive but thrive in the face of challenges. We firmly believe that our destinies are intertwined, and that is why we wholeheartedly embrace their story as our own, their dreams as our purpose, and their trust as our enduring legacy.
